## Counting Our Blessings

Time has gone by so quickly and so much has happened with the weather changing and getting ready for the Holidays.

Transitions like this can only be done when we all work and live together as a family. There are several ways to celebrate and here at Spring Creek Village Assisted Living and Memory Care, we do just that. Our entire staff gives our residents the love and care it takes to enjoy being part of a family. Our residents live in an environment that provides them freedom of choice and to live as they please. Family and friends are always welcomed to visit and enjoy any of our provided events. When you have your health, family, security, and freedom, you have a lot to be grateful for.

This month is full of celebrations like our Veterans Day Ceremony on the 11th where we honor those men and women who have served their country honorably. Also, please attend our Family Thanksgiving Luncheon and enjoy great dining, family, friends and loved ones in a traditional setting. With that, let's not forget Daylight Saving Time ends. Thanksgiving Day you have Macy's Parade and a football game for all you sports fans.

Look forward to enjoying our Happy Hours every Friday along with our Resident Birthday party and welcome ALL at our New Residents party on the 24th.

December is right around the corner and we're gearing up for a Texas Village Christmas. YAHOO!

*Gratitude can transform common days into thanksgivings, turn a routine job into joy, and change ordinary opportunities into blessings.*
